AGENDA REPORT

AGENDA DATE 09/05/00

AGENDA ITEM 5

WORK SESSION ITEM _____

TO: Mayor and City Council

FROM: Olden Henson, Councilmember

SUBJECT: Request for Appropriation of Funds for the National League of Cities Public Safety and Crime Prevention Steering Committee Meeting September 14- 16, 2000

RECOMMENDATION:

It is recommended that the City Council appropriate \$4,300.00 for certain costs related to the City hosting the National League of Cities Public Safety and Crime Prevention Steering Committee Meeting September 14-16, 2000.

BACKGROUND:

The City of Hayward is the site of the National League of Cities Public Safety and Crime Prevention Steering Committee's September meeting. The Committee is comprised of mayors and council members from cities located in twenty-nine states including California.

Through quarterly meetings held in members' cities, the Committee is charged with developing and providing advice and policy direction to the National League of Cities Board of Directors in the following areas:

- Community Policing
- Corrections
- Court System
- Crime and Violence
- Crime Prevention Strategies
- Disaster Preparedness and Emergency Response
- Gun Control
- Juvenile Justice
- Municipal Fire Policy
- Regional Approaches for Public Safety Resources
- Sentencing Guidelines and Mandatory Sentencing ; and
- Substance Abuse

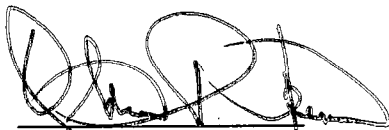

Host cities, are responsible for providing an environment in which the Committee can hold a productive meeting, as well a opportunities for social interaction and relaxation outside of the meeting times.

The National League of Cities provides for a large percentage of the costs related to administering and coordinating the meeting.

In my role as Chair of the Committee, I have been successful in securing private sponsorship funding for a portion of the expenses related to social activities for this event.

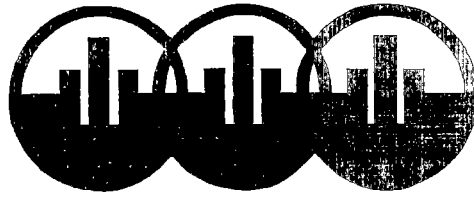

However, in addition to providing the space for the all day meeting, which includes a presentation by the Hayward Police Department, I am also requesting the appropriation of approximately \$4,300.00 for the bus transportation required during the three-day period and dinner for approximately forty (40) guests. Both activities will take place in City Hall. (See Attached Draft Agenda)

Thank you for your favorable consideration of this request.
